MEMORANDUM FOR : Deputy Director (Plans)

THROUGH : Acting Chief, Development Projects Division *B*

SUBJECT : Inclusion of Deputy Director, Joint Staff, JCS
and NSA in TALENT-KEYHOLE

1. It is believed that the time has come when it is necessary to take the Joint Staff of the JCS and NSA into the TALENT-KEYHOLE system. In the case of the JCS, the Joint Staff of the JCS has been very active in the Ad Hoc Requirements Committee, and it will be necessary, it is anticipated, to disclose the source of some of the information to be obtained through TALENT-KEYHOLE at least to certain parties in the Joint Staff. In the case of NSA, it is highly desirable that its interest and contributions be represented in the task teams at PIC who will be exploiting the material.

2. Recommendation: That you authorize the CIA TALENT Control Officer and the CIA TALENT Security Officer to brief General Breitweiser of the Joint Staff and General Samford of the NSA and to discuss with them minimum number of individuals who need to be certified in TALENT-KEYHOLE to meet their obligations and to ensure maximum contribution to the exploitation process.
